

9. [REDACTED] LIAISON Called Howard Liebengood, Senate Select Committee on Intelligence staff, to discuss his upcoming trip abroad with Senator Howard Baker (R., Tenn.). I told Liebengood that we would be pleased to brief him before his trip and had set aside 22 October to brief Senator Gary Hart (D., Colo.) and Rick Inderfurth, also of the Select Committee staff, on their travel and would like to include them also that day if possible. Liebengood said Senator Baker would be out of town, but Liebengood would attend. I also gave Liebengood a status report on the Committee's request for documents on [REDACTED].
[REDACTED] We should have the final documents requested to him in sanitized form this week.
